### “CHAOS UNITED”

is an incredible opportunity for you to join our mission of allowing positive role models to reach people, especially our youth, and draw them closer to finding the most valuable path for their future. On November 1<sup>th</sup>, 2017, thousands of people will gather in Statesboro to experience a show like no other. We will have two extreme sports stunt team performances that will include freestyle motocross, drift cars, sport bike stunt riding, and 4-wheeler stunts, all while our DJ is spinning music through an 11,000 watt sound system. A worship experience and a DJ/Rap artist concert will round out the evening. Local area vendors will be on site with food trucks and other activities throughout the day. Our events draw an incredible amount of people from the local community and surrounding areas. In 2016, there was an estimated attendance of over 4,000 people, from many different states and counties.

We would love for you to pass this information to anyone you feel would like to partner with us on our mission to  
“USE EXTREME MEASURES, IN AN EXTREME WORLD, TO REACH AN EXTREME CULTURE”.
